

Android User Guide

This guide will help you download, install, and navigate the ViewLocal app on your Android device.

Installing the app

Step 1: Open the Google Play Store and search **ViewLocal**

Step 2: Click download and then install

Step 3: Once downloaded, open the ViewLocal app and sign in with your ViewLocal email address and password

Step 4: Accept the Terms of Use

Selecting your show

Step 1: Tap the **three hash marks**  in the upper left corner. This opens the **Menu**, where you will have access to:

- Home Page
- Guide
- Settings
- Support Information

Step 2: Tap **Guide** to bring up the TV guide

Step 3: Scroll up and down to find a show and then tap the show to view

Enlarging to full screen

From the Guide page:

Step 1: Rotate your phone from portrait to landscape
(Auto rotate needs to be turned off on your device)

From the Home screen:

Step 1: Tap on the live show and then a small box will appear in the top right corner

Step 2: After selecting a show, rotate your phone from portrait to landscape
(Auto rotate needs to be turned off on your device)

Returning to Navigation screen from landscape mode

Step 1: Rotate your phone to portrait mode

Step 2: Tap the back button on the screen

OR

Step 1: Select the back button (next to the home button on your Android device)

Android User Guide (continued)
