Description:

The experts at National Geographic present a delightful reference that introduces young children to bugs of all kinds: big and small, jumping and crawling, colorful and creepy. This charming book

explores backyard favorites, such as ladybugs and lightning bugs, and introduces kids to more exotic species that inhabit rain forests and deserts around the world. Colorful photos are paired with profiles of each insect, along with facts about the creatures' sizes, diets, homes, and more. This book will quickly become a favorite at storytime, bedtime, and any other time!
