Description:

The best-selling 5 lb. Book of GRE Practice Problems has been updated to offer more advanced online resources and hundreds of new questions. It contains over 1,800 practice problems covering every topic tested on the GRE, making it an essential resource for students at any level.

Manhattan Prep's 5 lb. *Book of GRE Practice Problems* is an essential resource for students of any

level who are preparing for the GRE revised General Exam. Recently updated to more closely reflect the nuances of the GRE exam, this book offers more than 1,800 questions across 33 chapters and online to provide students with comprehensive practice.

Developed by our expert instructors, the problems in this book are sensibly grouped into practice sets and mirror those found on the GRE in content, form, and style. Students can build fundamental skills in math and verbal through targeted practice while easy-to-follow explanations and step-by-step applications help cement their understanding of the concepts tested on the GRE. In addition, students can take their practice to the next level with online question banks that provide realistic, computer-based practice to better simulate the GRE test-taking experience.

Purchase of this book includes access to an online video introduction, online banks of GRE practice problems, and the GRE Challenge Problem Archive.
