Description:

Review The birthday child looks very much like a hippopotamus. Her friends, the birthday monsters, arrive just after dawn, bring presents, make a wonderful mess and clean it up. Part of an appealing new board-book series. -- *New York Times Book Review*, 3/13/94

From the Publisher The Boynton Board books are compact treasures just right for little kids. Each book is replete with full-color drawings and comes with a die-cut cover. Also in the series are: ONE, TWO, THREE!, a rhyming number primer presented by all sorts of animals; BARNYARD DANCE!, a sing-along book set on the farm; and OH MY OH MY OH DINOSAURS!, where dinosaurs present kids with an easy way to learn all about opposites.
