**From Library Journal** Random's Modern Library is reproducing this Hardy standard as a tie-in to a Masterpiece Theater presentation and offering a quality hardcover for a reasonable price. **Review** "Vital, passionate, spirited -- from the moment Bathsheba appears she is beguiling. You can

denounce her faults -- she's selfish and capricious -- but it's hard not to admire her determined independence."

--*Independent*

"Hardy's **Far from the Madding Crowd** is the most romantic book I have ever read. I love the line where he says: 'Whenever you look up, there I shall be -- and whenever I look up there will be you.' It is very simple and understated, but also incredibly romantic."

--Liz Jensen, *Independent* --This text refers to an out of print or unavailable edition of this title.
