Description:

From When U.S. Navy SEAL Sam Starrett travels to Florida to try to convince his estranged wife, Mary Lou, to sign their divorce papers, he finds the body of a murdered woman in the house where Mary Lou and their baby, Haley, now live. FBI agent Alyssa Locke is put in charge of the investigation, but her brief yet memorable prior relationship with Sam creates an almost untenable working situation. When a possible tie between Mary Lou and terrorists responsible for an earlier attempt to kill the president in San Diego arises, the case becomes even more complicated. In her latest installment in the Troubleshooter series about the Navy SEALs of Team 16, *New York Times* best-selling and RITA Award-winning Brockmann finally brings Alyssa and Sam together, two tough, smart, stubborn, and surprisingly complex people whose professional and romantic clashes provide plenty of simmering sexual chemistry. In this exceptionally suspenseful tale, Brockmann's sleek

combination of taut plotting, superb characterization, and sizzingly sexy, emotionally intense romance is absolutely addictive. *John Charles*
