Description:

Review Nobody tells a story better than Mo Flames. Readers will instantly become addicted to her creative genius. --Marlon Green, author of GET MONEY and BUTTER

About the Author Mo Flames is an electrifying, charismatic woman with the gift of touching lives and causing uproars with her words. Her debut novel ONE AIN T ENOUGH is just as entertaining and compelling as she is. However, her gift of writing was almost overlooked in her teens. After having to compose a work of fiction, I soon found out that my teacher loved it so much that he sung my praises, Mo Flames reflects. He strongly suggested that I hone in on that talent and I took his advice and began writing short stories in a journal. And those that began experiencing her writing are glad that she did. Mo Flames continued writing and her experiences and creativity fueled her written words. It was not long before she had her stories and blogs posted on her website, but what came of them was even a surprise to her. I began receiving emails stating that my blogs ranked in Myspace s top ten. That motivated me to give them more of what they wanted, but I went where

most would not discussing taboo topics. Within weeks, her blog hit #1. It turned into a huge forum where readers could enjoy my different styles. Readers share that my writings inspire them to change their lives. It is an indescribable feeling knowing that I've touched so many through my words. Mo Flames enjoyed the adulation received from the success of her online writings, but she never lost focus of her goal she was creating an illustrious and unpredictable novel and she needed to find a publisher. That is normally a hard task, but Mo Flames had several things going for her; positive energy, professionalism, creativity, and the luck of looking in the right place. I spent months sending queries with no success. I then reached out to Marlon Green for advice on breaking into the industry and eventually shared my novel with him. He offered me a contract on New Year's Eve, and I became part of Greenday Publishing. Mo Flames debut novel ONE AIN T ENOUGH is here, and she is excited to present readers with even deeper entertainment and insight. I take pleasure in creating twisted plots and surprise endings, Flames proudly adds. Readers will easily relate and get involved with the characters in ONE AIN T ENOUGH.
