Description:

Review 'Really excellent entertainment' Daily Telegraph 'An elusive and incomparable artist' Ursula LeGuin 'My literary hero' Fay Weldon --This text refers to an alternate edition.

From the Inside Flap In this wildly disorienting funhouse of a novel, populated by God-like--or perhaps Satanic--takeover artists and corporate psychics, Philip K. Dick explores mysteries that

were once the property of St. Paul and Aquinas. His wit, compassion, and knife-edged irony make **The Three Stigmata of Palmer Eldritch** moving as well as genuinely visionary.

From the Trade Paperback edition. --This text refers to an alternate edition.
