## **Description:**

**Review** 'A great tale, beautifully told' - Niles Eldredge, American Museum of Natural History, author of Reinventing Darwin, Life in the Balance and Triumph of Evolution. 'Michael Benton's splendid book brings back to Earth Science a sense of adventure... It is both a wonderfully good read and a valued reference' - James Lovelock, author of Gaia and Homage to Gaia

**About the Author Michael Benton** is Professor of Vertebrate Palaeontology and Head of the Department of Earth Sciences at the University of Bristol. His most recent publications include Vertebrate Palaeontology and Basic Palaeontology (with David Harper); he was also editor of The Age of Dinosaurs in Russia and Mongolia, the first account in the West of some of the extraordinary

fossils found in these regions.
