

Google Account Setup Guide

This guide will help you set up a Google account through a computer, tablet, or phone.

Setting up Google account

Step 1: Open web browser

Step 2: Navigate to www.google.com

Step 3: Click "Sign in" at the top right

Step 4: Scroll down to "Create Account" and select "for myself"

Step 5: Enter first name, last name, desired email/Google account, create a password (*8 or more characters with a mix of letters, numbers, and symbols*)

Step 6: Click "Next"

Step 7: If desired, enter a phone number and a backup email address for account recovery purposes. Enter date of birth and gender

Step 8: Click "Next"

Step 9: Press the blue down arrow on "Privacy & Terms" and the blue "I agree" box appears

Step 10: Click "I agree"

Step 11: Write down email and password and keep in safe place for future reference
