## Rainbow Youth Advisory Council Application 2022- 2023

### Purpose

To educate and involve high school juniors in the scope of services provided by Rainbow. Obtain ideas, suggestions, and options from student leaders on technology to share with management.

### Task

- To provide Rainbow with perspective on student priorities, performances, challenges, and opportunities regarding technology, leadership, community service, marketing, etc.
- To act as student voice representing the interests of other students, student groups, teachers, and families.

### Criteria

- Must be a high school junior with a GPA of at least 2.5.
- Students are required to reside with a parent or guardian who has Rainbow service.

### Youth Advisory Council Requirements

- Must attend 6 of the 6 scheduled meetings/events to receive full scholarship of \$500. *One missed meeting/event reduce your scholarship to \$300. Two or more missed meeting/event & you will be ineligible for scholarship. Exceptions will be made for school related activities by Rainbow's discretion.*
- Communicate appropriately to Rainbow staff if unable to attend.
- Each Youth Advisory Council Member will be required to help with a coordinated school event.
- Each Youth Advisory Council Member will be required to present video to incoming juniors on YAC.
